

Patron Responsibilities and Conduct

It is a patron's responsibility to maintain necessary and proper standards of behavior in order to protect his/her individual rights and the rights and privileges of other patrons. If a patron creates a public nuisance, that patron may be restricted from the Library and from the use of the library facilities. Those who are unwilling to leave or do not leave within a reasonable amount of time, after being instructed to do so by the staff, will be subject to the law.

Children & the Library

The Surrey Township Public Library encourages visits by children and it is our desire to make this important visit both memorable and enjoyable for the child. Library staff is not expected to assume responsibility for the care of unsupervised children in the library. Therefore, it is library policy that all children under age thirteen must be accompanied by a parent or designated responsible adult while in the library. Also, if the child is attending a library program, we require the parent/responsible person to remain in the library with the child. If a child is left unattended in the Library, staff will contact the parent and/or guardian and request that the child be picked up.
